INFORMATION DISCLOSURE STATEMENT

Sir:

The Examiner is respectfully requested to consider the references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached form prepared by Applicants; this form is generally based on Patent and Trademark Office form PTO/SB/08a, but is not a USPTO form. Copies of seven foreign and six non-patent references are submitted herewith.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of any accompanying form, whether such form is generated by Applicant or is a USPTO form, is not an admission that all listed references are prior art. No representation is made that Applicant knows of the best art.

It is believed that this submission does not require the payment of a fee pursuant to 37 C.F.R. 1.16-1.17. If this is not correct, however, please charge any required fee to Deposit Account No. 07-1969.

Respectfully submitted,

/donnamferber/
